
Secure Your Life with Complete Moral Certainty.

End Your Confusion and Get On the Right Track Fast with *the Simplest Moral Code Ever Defined.*

Ronald E. Springer is the author of *Moral Armor*, the world's first moral philosophy *based on nature itself*. Join him and bring inner peace, confidence and order to your future.

If you're confused about what *truly* constitutes good and evil, Ron will empower you with a straight-forward, practical clarity you can use on a personal, social and world scale. He'll share his *natural structure* to wipe out moral confusion, protect us from harm and put us firmly in the driver's seat regarding the direction of our lives, our relationships, and our country, by describing the entire realm of moral awareness in *four simple steps*.

With Ron, We'll Explore:

1. ***Your Significance:*** How Moral Clarity Determines Your Impact on the World.
2. How to Eliminate the Stress, Guilt, Fear and Hesitation Commonly Associated to Moral Judgment.
3. Nature's *Four* Key Elements to Every Moral Action and the *Four* Basic Violations: ***Do you know them all?***
4. The *Three* Types of People that Exist in the World: ***Which one are you?***
5. The *Four* Moral Categories of Life to Consider: ***They stair-step. Are you living with them in the right order?***
6. Achieving a Moral World-View, *Faster and Easier* Than Ever Before.
7. *Scrutinizing* Religious Interpretations with Nature's Morality: ***Did they get it right?***
8. Saving the World: ***Is it futile to seek agreement between faiths?***

"I wish you well with your book as with the adventure to morality in our world today."

–Charlton Heston

"this is a MASTERPEICE in today's literary works. It really is a solution to determine one's own worth in today's society." **–Janet L. Dalton, Warren, Michigan**
