

# MA Speech Notes:

## 1. The Alarming Moral Decline in America.

- A. The three warning signs of our nation's potential collapse.
- B. The historic moral premises that are eating us alive.
- C. Why the coming election won't provide the relief we seek, and what can.

## 2. Countering Moral Confusion with an Organic Perspective.

- A. Our motives: What do we all want *and need* from morality?
- B. Ending the trauma of uncertainty: Moral clarity that's everyday useful.
- C. Describing a perfect world.

## 3. My Story: My Road from Confusion to Clarity, Peace, Empowerment and Freedom.

- A. An abusive upbringing with no moral clarity or accountability.
- B. Paying the price for succeeding.
- C. Stepping out: 20,000 hours in Philosophy and Psychology, studying every major religion, retaining *only* what fosters life. (Aquinas, Aristotle and Harvard)
- D. Life questions answered: What is Morality? What is the Meaning of Life?

## 4. Simplifying Morality for Instant Awareness.

- A. The parallel between life and cognition.
- B. The 4 step pattern of cognition.
- C. The 4 step frame of human action: our natural living hierarchy.

## 5. The *True Sides* of Good and Evil: The Moral Division Between Men.

- A. *Inverting* the structure to identify true evil.
- B. Fear-driven Man.
  - a. The Submission/Domination Axis.
- C. History's fatal mix of good and evil.
- D. Reversing guilt and shame.

## 6. Moral Empowerment and No Stress.

- A. Dealing with uncomfortable situations with ease.
- B. Supercharging your religious understandings.
- C. Focusing moral leadership in America.
- D. Finding the moral bridge between us all.

## 7. Tools for Empowerment and Q & A.

- A. *A Bridge Between Us All.*
- B. *Sovereignty.*
